SAILING INTO SPRING

It's That Time Again!

A new season is fast approaching, and I am confident it will be our best one yet. The entire Grace Anne II team is in place for 2016, and the talent that I have for each department will no doubt ensure we deliver! The Yacht looks spectacular after an intense maintenance & repair schedule this winter. We are excited for that moment when the boathouse doors open and she can shine in the sunlight.

*An expanding team of
experienced staff to
continue to go above and
beyond for our esteemed
guests*

Our season bookings are terrific and we look forward to hosting both the corporate and family retreats. While it is proving to be our busiest season ever, there are still a few openings in our calendar so please reach out to me directly with your preferred dates. In the coming weeks, I will be scheduling in all the Culinary Cruise requests, and I look forward to finally confirming these dates with those who have connected with me!

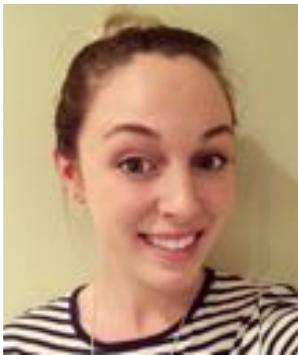

General Manager - Dominique Kyle

A Season of New Beginnings

The sunshine is lingering past dinnertime and that signifies something wonderful: spring is on its way! Our 2016 season is fast approaching and like the sun, we are burning long hours preparing for all the amazing trips we have booked for the coming months. It's looking like it will be a beautiful, warm summer to be aboard the Grace Anne II.

It will be my first summer on Lake of the Woods as I followed my heart to Kenora early this year, and was greeted with a fantastic opportunity to work with the close-knit team that is the Grace Anne II crew. It is an honour to be welcomed on board and help put together special trips for all of our clients. We truly have the most beautiful canvas to work with. I have come to know some of you through email correspondence, and am greatly looking forward to putting faces to the names as you arrive for your trips this summer. I hope to make this a season to remember and am excited to get to know everyone!

Assistant to the General Manager - Annie Salvage

Firing Up the Kitchen

It is evident from the bookings to date, that I will be enjoying a full summer on the Yacht or at the beautiful Lodge! This is welcoming news to me, as there is no better way to spend the summer!

I am pleased to welcome Chef Ian Fast to our organization. After a winter experiencing Europe's sites and cuisines, Ian will bring some fresh and tasty ideas to our menus.

*Old World Elegance
paired with Effortless
Modern Luxury*

*As a seasoned
hostess to royalty,
celebrities, and
Fortune 500
executives, the Grace
Anne II is the epitome
of refinement and
uncompromising
craftsmanship*

We are also very much looking forward to having our own garden at the lodge to produce some our own herbs and vegetables.

Executive Chef - Chef Nicky

Scanning the Horizon

I am happy to announce that due to the incredibly bustling season upon us, we have been able to invite a second captain aboard our Grace Anne II crew. Captain Murray Affleck has had years of experience on Lake of the Woods and will be an equally competent captain for the beautiful Grace Anne.

As we prepare for 2016's summer we are excited for the cruising season to be underway. We are gearing up for a busy, sunny summer and I am excited about this upcoming sailing season with all of you.

Captain - Patrick Howard

Casting a Line

After spending time with the Grace Anne II team last season, I am excited to be coming back with a new title as Recreations Lead. I was born and raised into a family that has spent many generations on Lake of the Woods. Growing up most of my time was spent alongside my father exploring the many islands and hidden treasures that our beautiful lake has to offer.

I have over 25 years of guiding experience, and have guided for groups of all sizes with varying levels of fishing skills, from novice to sport fishing. I am excited to offer personalized recreational experiences. This can include anything from taking a leisurely boat ride looking for eagle's nests and other wildlife, picnic lunches on a secluded beach, and excursions that incorporate both canoeing and trail walking.

dkyle@graceanne.com

As your recreational lead my job is to ensure that you receive an authentic Kenora experience. I look forward to meeting you this summer and showing you what Grace Anne II has to offer. Cheers to making Summer 2016 your most memorable yet.

Recreations Lead - Bob Boucha

All Aboard for 2016

This will be my third season returning to the Grace Anne II and I couldn't be more thrilled!

Since last season, I was fortunate enough to experience over two months of travel in Asia. Trekking in Nepal was an adventure and a challenge that I will never forget! Travelling the world and embracing its different cultures, landscapes and a way of life, which are so far from our own, allows us to return home with fresh perspective.

This year I will be returning in a new roll as Manager of Guest Experience, a position that I am excited to fill. As the leaves here in Alberta begin to blossom, I can't wait to be back on the lake. The Grace Anne II has many exciting things happening this summer and I can hardly wait to reconnect with staff and guests alike, and share another memorable season!

Manager of Guest Experience - Erin Kerr

Exciting + New!

We are hoping for warmer weather to finally greet us this spring as we have many upgrades scheduled for the Grace Anne II Lodge. We are closely monitoring the ice as our goal is to build the Grace Anne II Hunting Lodge to accommodate our staff and future hunters. In addition to this, The Grace Anne II Lodge will have a new Hot Tub, Sauna, and Solarium all off the back deck. Each year we hope to enhance the customer experience, and this year is no exception!

Looking forward to 2017, we are excited to begin offering a winter lodge getaway with seasonal activities on our own isolated island!

We look forward to seeing both familiar, and new faces this year!
